## Summary

---

Full Stack Mern Developer. Curious and passionate about programming. Driven by the most unique challenges. Ambitious, self-sufficient and an excellent problem solver.

## Technical Skills

---

React, Node, Express, JavaScript, HTML5, CSS3, MySQL, MongoDB, Firebase, jQuery, Bootstrap, Handlebars.js, ORMs (Sequelize, Mongoose), Photoshop, WordPress, Ruby, Sinatra, Photoshop, Git, GitHub.

## Projects

---

**Syntax Tutor** | <https://github.com/samuniz/super-syntax-tutor> | <https://arcane-springs-56036.herokuapp.com>

Full stack MERN web application that allows users to create an account, choose a game with the goal of training the typing syntax of specific web language.

- During a team project of three, my contributions to the project included but were not limited to; the creation of the sign and sign up function, implementation of passport.js, user database and the back end routes.
- Technologies used: React, MongoDB, Passport.js, Node, Express, CSS3

**Friend Finder** | <https://github.com/samuniz/friendFinder> | <https://warm-sierra-92107.herokuapp.com/>

Full Stack application that manages and responds to user data. This application stores user's form-data in local API and runs comparison logic to match the user with their most compatible mate.

- Technologies used: Node, Express, JavaScript, jQuery, Bootstrap and static HTML files; utilizes GET and POST routes to API data.

**Radical Reads Scrape** | <https://github.com/samuniz/radicalreaders>

| <https://mysterious-plains-87927.herokuapp.com/>

A web scraper that displays the most recent articles from Radical Reads.

- CRUD functionality.
- Technologies used: Node, Express, JavaScript, jQuery, Materialize, Mongo, Mongoose, Handlebars

## Experience

---

**Project Manager | Yaskawa Motoman Robotics of Brazil 2008-2013**

Delivered finished, complex, automation solutions to clients while meeting required deadlines. Working with a team of engineers, developers and export technicians to devise a plan of action to deliver the project on time with a continued goal of remaining cost effective.

## Education

---

**University of Pennsylvania**, Philadelphia, PA – Full Stack Web Development Boot Camp

**University Methodist of Sao Paulo**, Sao Paulo/Brazil - B.A International Business

**Cefam Thereza Delta, Sao Paulo/Brazil** - Associates in Pedagogy

## Additional Skills

---

- Portuguese (first language)
- Spanish
- Project Management
